Late Summer Music in memory of Martin Rossi: 15<sup>th</sup> September at the RCS Stevenson Hall at 7.30

This page has been set up to provide information about the charitable concert which will take place on the 15th September in the RCS Stevenson Hall at 7.30pm. The concert will be in memory of Martin Rossi who sadly died in September last year after suffering from epilepsy.

The aim of the evening is to raise awareness of the Charity - Epilepsy Connections - who supported Martin and his family during his life and also to raise as much money as possible to support their work.

The concert will include music by Mozart, Beethoven and Faure and will be performed by Ceciliana Chamber Choir and Orchestra.

Many of you may have known Martin during his short lifetime, others may not but whatever your reason for visiting this page, please support this event by attending the concert or using the Just Giving link if you cannot attend and by sharing the information with as many of your friends as possible.

We will never beat Epilepsy, but by supporting the work of Epilepsy Connections we can help many families cope with this condition and the effect it has on sufferers and their families.
