

Glasgow the Welcoming City 2013

Glasgow City Chambers 3.00 Sunday 9th June

Organised by Glasgow Churches Together in co-operation with the City Council. This year is special as we celebrate the 2nd centenary of David Livingstone, the renowned Scots missionary, explorer and abolitionist of slavery, and the 1450th anniversary of St Columba.

Civic and church representatives will gather with Piper, Harpist, the SouthSide Fiddlers, the St Mungo Singers, the Rutherglen Salvation Army Band, members of 'the St Mungo Ensemble' and the Scottish Asian Christian Federation along with other members of Mectis, the 'Minority Ethnic Christians Together in Scotland.'

The commitment of the many contemporary agencies who continue working to meet the needs of the disadvantaged in our world today will be on display and there will be leaflets and promotional material from Christian Aid, SCIAF, Justice and Peace, Mary's Meals and the David Livingstone Centre in Blantyre which will be made into packs for people to take away with them.

ALL WELCOME – and to the refreshments afterwards.
